The ARS G Series blast, recovery, and recycle system is built on individual steel frames, or skids. Separate control boxes are installed on each skid.

The G Series offers a *four* step cleaning system.

- 🔧 Cyclone
- 🔧 Trash Screen
- 🔧 Vibration Tray
- 🔧 Air Wash

Configure the set-up to meet your requirements! Purchase the entire system or as individual units.

🔧 Reduce your abrasive costs by 90%

🔧 Reduce your disposal costs by 95%
